

ROHO HYBRID ELITE 2R CUSHION

SKU: 2RHE-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introducing the ROHO Hybrid Elite 2R Cushion - a revolutionary seating solution that combines the exceptional properties of ROHO air cells with the supportive features of foam. Designed with two independent and adjustable air compartments specifically targeting the pelvic area, this cushion allows you to customise the inflation levels to achieve the perfect shape and ideal position for maximum comfort.

The Hybrid Elite 2R Cushion goes beyond traditional designs by incorporating contoured foam channels that provide enhanced positioning and stability. These channels work in conjunction with the air compartments to deliver optimal support and alignment, promoting proper posture and reducing the risk of pressure points.

FEATURES

- The ROHO Hybrid Elite 2R Cushion provides stability and support for users.
- Its adjustable air cells allow for effective pressure redistribution.
- The cushion is easy to set up.
- It offers enhanced comfort and pressure relief.
- It is designed to be durable and long-lasting.
- The cushion is versatile and adaptable to different seating arrangements.
- It promotes overall well-being by improving comfort and supporting proper posture.

SPECIFICATIONS

Safe Working Load: 225 kg
