

ROTHCARE QUAD CANE

SKU: RC-SC3001Q-BK

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Rothcare Quad Cane is a durable and stable walking aid that provides four points of contact with the ground for added stability. It is ideal for people who have difficulty balancing or who need extra support while walking.

The Quad Cane features a wide base with four rubber feet that help to prevent slipping and falling. It also has a height-adjustable shaft to accommodate users of different heights. The handle is made of soft foam for a comfortable grip.

The Quad Cane is easy to use. Simply place the cane in front of you and then step forward with your stronger leg. As you step, be sure to keep your back straight and your core engaged. The Quad Cane will help to support your weight and improve your balance.

FEATURES

- Wide base with four rubber feet for added stability
- Soft foam handle for a comfortable grip
