

ROYALE FLUSH PLUMBED TOILET/BIDET LIFT SEAT

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Royale Flush Plumbed toilet/commode lift seat provides a reliable and secure solution for transferring to the toilet, enabling individuals to comfortably and safely use their restroom at home. With its Electronic Toilet seat riser, this innovative device effortlessly replicates the natural standing movement with a simple touch of a button, allowing users to easily transition to a standing position on their own. Additionally, the Royale Flush model is equipped with a built-in Bidet, offering an added level of comfort and luxury during use.

*Please note - this seat must be **plumbed** in for the best user experience*
