

SAEBOSTEP BAREFOOT ACCESSORY STRAP

\$255.00

SKU: SBO-S3BF-10-SM-N-1-H

PRODUCT DESCRIPTION

Purpose & Benefits

The **SaeboStep Barefoot Accessory Strap** is a lightweight, adjustable strap that eliminates the need for shoes when using the SaeboStep foot drop brace. Designed for comfort and secure fit, it provides the necessary foot lift to support safe and effective walking indoors, whether worn with or without socks.

Features

- Fits most sizes for both right and left foot
- Eliminates the need to wear shoes while using the SaeboStep brace
- Fully adjustable for a comfortable, secure fit
- Durable cord attaches to included eyelet hooks for reliable foot lift
- Easy to clean by hand washing with mild detergent and lukewarm water

Specifications

- **Compatibility:** Must be used with the SaeboStep foot drop brace (sold separately)
- **Use:** With or without socks

- **Colour:** Black
