

SAEBOSTEP EYELET HOOK KIT

\$31.00

SKU: SBO-S3-EH-12-SD-N-1

PRODUCT DESCRIPTION

Purpose & Benefits

The **Saebostep Eyelet Hook Kit** is the preferred method for adjusting the Saebostep drop foot brace for daily use. Once installed onto the shoe, the Eyelet Hooks allow quick and easy attachment of the Saebostep cord, providing convenience and reliable support.

Features

- Designed for use with the Saebostep drop foot brace
- Hooks install onto the shoe once for long-term use
- Cord easily attaches and detaches for convenience

Specifications

- **Colour:** Black
