PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **SafeSip Silicone Drink Covers** are designed to provide a spill-proof and hygienic drinking solution for a wide range of cups, mugs, and glasses. Ideal for individuals with limited mobility, tremors, or those needing extra spill protection, SafeSip covers offer convenience, durability, and peace of mind whether at home, work, or on the go.

FEATURES

- Patented double vent system for smooth, easy drinking
- Completely spill-proof at any angle – even when tipped
- Super elastic grip that stays securely on any cup
- Durable platinum silicone construction for long-term use
- Fits single and double-handled cups, mugs, glasses, or cans
- Dishwasher, microwave, and freezer safe for easy cleaning
- Two unique grips make removal and fitting effortless
- 100% BPA-free, food-grade silicone for safe daily use
- DVA Approved
- **Not suitable for children under 3 years old**
