

SALJOL WALKER BACKREST

SKU: 40101

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Saljol Walker Backrest is a thoughtfully designed accessory intended to enhance the comfort and functionality of the Saljol line of walkers. Tailored for users who spend significant time using their walker and may require a moment to rest, this backrest attachment provides the support needed to sit comfortably on the walker. It's an ideal addition for those seeking added comfort and support during their daily activities.

FEATURES

- **Ergonomic Design:** The Saljol Walker Backrest is ergonomically designed to offer optimal support to the lower and mid-back regions, ensuring users can sit comfortably and securely when taking breaks during their walks.
- **Easy Installation:** This accessory is designed for easy attachment to the Saljol walker, allowing users or caregivers to install it without the need for tools, making it a convenient and user-friendly addition.
- **High-Quality Materials:** Made from durable materials that can withstand regular use, the backrest is both sturdy and comfortable, with padding that provides cushioning for extended periods of sitting.
- **Adjustable:** Some models of the backrest may offer adjustability features, allowing users to customize the height and angle of the backrest to suit their individual comfort needs.
- **Compatibility:** Specifically designed to fit Saljol walkers, ensuring a secure and stable fit that complements the walker's design and functionality.
- **Portable:** The backrest is lightweight and can be easily removed or folded with the walker, maintaining the walker's portability and convenience for transport and storage.
