Purpose & Benefits

The **Sestra Women's Night Shirt - Cap Sleeve - Pink** offers a dignified, comfortable, and easy-to-manage clothing solution for women with limited mobility or cognitive challenges. Its adaptive open-back design with a soft cap sleeve and V-neck style allows effortless dressing and undressing, supporting both independence and caregiver efficiency. Made from a breathable poly/cotton blend, it ensures lasting comfort and a polished 24/7 appearance suitable for home or care facility environments.

Features

- Adaptive open-back clothing design for easy dressing and undressing
- Cap sleeve and flattering V-neckline for added comfort and style
- Poly/cotton knit fabric – breathable, soft on skin, and flexible for comfort
- Cross-back fold design maintains dignity and independence

- No studs, buttons, straps, or zips – reducing risk of skin irritation or injury
- Printed ID label section for personalisation in care facilities
- Durable, colourfast fabric suitable for dryers and industrial washing
- Stylish flamingo pink colour suitable for day or night wear
