

SHEAR COMFORT SHORT SLIPPER BOOT

SKU: SBSBL-H

PRODUCT DESCRIPTION

Purpose & Benefits

The **Shear Comfort Short Slipper Boot XD1900** provides warmth, protection, and pressure care for people with delicate skin or reduced mobility. Its shorter design allows for ease of movement and convenience while still offering the same benefits of Shear Comfort's XD1900 medical-grade wool. This boot helps protect against shear and friction, supports skin integrity, and offers excellent comfort during daily use.

Features

- Short boot design for comfort and easier mobility
- Lined with Shear Comfort XD1900 medical-grade wool for durability and softness
- Reduces shear and friction forces to protect fragile skin
- Breathable and moisture-wicking material helps regulate temperature and skin health
- Adjustable fastening for secure and customised fit
- Machine washable for easy care and hygiene

Specifications

- **Brand:** Healthcare Innovations Australia (Shear Comfort)
- **Material:** XD1900 medical-grade wool lining
- **Design:** Short slipper boot style with adjustable fastening
- **Use:** Protective footwear for daily comfort and skin protection
