PRODUCT DESCRIPTION

Purpose & Benefits of Shoprider Scooter Tarp Cover

The Shoprider Scooter Tarp Cover is meticulously designed to offer maximum protection for mobility scooters against various environmental elements. This cover is vital for scooter users who need to keep their mobility aids outdoors or wish to maintain their scooters in pristine condition. It effectively shields the scooter from rain, dust, and sun exposure, thereby extending the lifespan of the scooter and maintaining its appearance and functionality.

Features

- **Waterproof and Dustproof:** Crafted from robust materials that prevent water and dust from damaging the scooter.
- **Easy Application:** Designed for simplicity, this cover can be quickly draped over the scooter and secured without hassle.
- **Durable Construction:** Built to withstand the rigours of outdoor exposure, ensuring long-term use.
- **UV Protection:** The material is treated to block harmful UV rays, preventing the scooter from fading and degrading.
- **Snug Fit:** Features an elasticised hem that ensures a tight fit around the scooter, protecting it even in windy conditions.

Specifications

- **Material:** High-quality fabric that is both water-resistant and UV-resistant.
- **Size:**
 - Small (Length approx 130 cm, Width approx 65 cm, Height approx 130 cm)

- Medium (Length approx 143 cm, Width approx 68 cm, Height approx 130 cm)
- Large (Length approx 159 cm, Width approx 73 cm, Height approx 130 cm)
- **Design:** Specifically shaped to cover all critical parts of the scooter, including the seat, control panel, and base.

The Shoprider Scooter Tarp Cover is an essential accessory for anyone looking to protect their mobility scooter from the elements. It offers peace of mind by safeguarding the scooter, thereby ensuring it remains ready to use regardless of the weather conditions.
