PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Showerbuddy Cushion Closed Front Soft Foam is specifically crafted for the SB1, SB2, SB2T, and SB3T models, ensuring users a comfortable and safe bathing experience. Its closed-front design offers a seamless surface that caters to the varied needs of its users.

FEATURES

- **Soft Foam Material:** Offers a luxurious, cushioned seating surface, elevating the user's overall comfort during showers.
- **Closed Front Design:** Provides a continuous seating surface for added stability and support.
- **Water-Resistant:** Made from materials that repel water, making it easy to maintain, hygienic, and resistant to mould and bacterial growth.
- **Custom Fit:** Purposefully designed to fit Showerbuddy models SB1, SB2, SB2T, and SB3T perfectly.
- **Stable and Secure:** Comes with fastening mechanisms to ensure the cushion remains in place, minimizing any potential risk.
- **Durable:** Built with quality materials to withstand daily use while maintaining its shape and integrity.

This cushion is ideally suited for those who require a consistent and uninterrupted surface during their showers, ensuring they are comfortable and secure. It's especially beneficial for those with mobility concerns where stability is paramount.
