PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Showerbuddy Cushion Open Front Petite Standard Foam designed specifically for the SB1, SB2, SB2T, and SB3T models provides users with a seamless and comfortable showering experience. The cushion's open-front design allows for easy personal cleaning while ensuring maximum comfort.

FEATURES

- **Standard Foam Material:** Ensures durability and comfort for users, providing a cushioned seating surface during showers.
- **Open Front Design:** Allows for easy access for personal hygiene without compromising on support.
- **Water-Resistant:** Made from materials designed to resist water absorption, making it more hygienic and resistant to mould and bacterial growth.
- **Easy Installation:** Effortlessly attaches to Showerbuddy models SB1, SB2, SB2T, and SB3T.
- **Stability Ensured:** Comes with mechanisms, such as straps, for a secure fit to ensure the cushion stays in place.
- **Compact Petite Design:** Specifically tailored for the petite models of Showerbuddy, ensuring a perfect fit.

Perfect for those who value both comfort and functionality during their showers. Its open-front design makes it ideal for individuals who prioritize easy access for personal cleaning but also want a cushioned seat.
