

SHOWERBUDDY CUSHION OPEN FRONT STANDARD SOFT FOAM - SB6C/22

\$163.00

SKU: PART #500-376

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Showerbuddy Cushion Open Front Standard Soft Foam is specifically designed to accompany the Showerbuddy SB6c/22 model, enhancing user comfort during their shower routines. Crafted with the user's needs in mind, this cushion not only offers superior support but also ensures optimal hygiene and user safety.

FEATURES

- **Standard Soft Foam Material:** Offers a comfortable seating surface, reducing any potential pressure points during showering.
- **Open Front Design:** Facilitates easier personal hygiene practices, ensuring cleanliness during each use.
- **Water-Resistant:** Crafted from materials that deter water absorption, helping prevent bacterial and mould growth.
- **Ease of Cleaning:** Designed for effortless wipe-down and maintenance.
- **Secure Attachment:** Equipped with fastening straps or similar mechanisms to ensure the cushion remains firmly in place.
- **Durability:** Constructed with top-grade materials to guarantee longevity, even with frequent use.
- **Universal Compatibility:** While tailored for the SB6c/22, the cushion can adapt to fit a range of Showerbuddy chairs.

The Showerbuddy Cushion Open Front Standard Soft Foam - SB6c/22 is ideal for those needing extra support and comfort during showers due to mobility challenges, aging, or other conditions, ensuring an improved showering experience.
