PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Showerbuddy Cushion Overlay for SCSF-P/SCP1 models offers users a layer of enhanced comfort while using their Showerbuddy units. Designed meticulously for a snug fit over the original seat, this cushion overlay enhances the showering experience, ensuring users feel more at ease and relaxed.

FEATURES

- **Tailored Design:** Specifically designed to seamlessly fit over Showerbuddy models SCSF-P and SCP1.
- **Top-Grade Material:** Made from plush and soft material that promises a comforting feel.
- **Water-Resistant Surface:** The water-repellent fabric reduces the risk of mould and bacterial growth, maintaining a hygienic environment.
- **Durable Construction:** High-quality materials are used, ensuring the overlay lasts long without wear and tear.
- **Safety Features:** Comes equipped with secure attachments to keep the cushion steady, reducing slip-related risks.
- **User-Friendly Maintenance:** Simple cleaning and rapid drying properties ensure a hygienic experience.

The cushion overlay is perfect for individuals who seek that extra bit of cushioning during their showers. It's especially useful for those with tender skin or those who need to be seated for extended periods.
