

SHOWERBUDDY SB1 TRANSFER SHOWER COMMODE

SKU: SB1

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

ShowerBuddy SB1 can help you gain access to your home shower again to enjoy a private shower in comfort and with dignity by allowing you to effortlessly glide over that shower step or threshold, seated comfortably for the entire transfer.

The ShowerBuddy SB1 shower transfer system will turn your existing bathroom into an accessible bathroom that allows you to enjoy showering again without the excessive cost, delays, and stress of a full bathroom remodel. With only one transfer, you can once again enjoy a shower in your own bathroom. The ShowerBuddy SB1 alleviates heavy lifting for family members and caregivers by eliminating multiple transfers during toileting and showering.

FEATURES

- Adjustable height: The seat height can be adjusted from 550mm to 675mm to accommodate users of different heights.
- Removable arms: The arms can be removed for easier transfers or for storage.
- Rotates 360 degrees: The shower base can be rotated 360 degrees to allow the user to face the shower controls or to allow an assistant to help with cleaning.
- Safety belts: The chair is equipped with safety belts to prevent the user from falling.
- Footrest: The footrest provides support for the user's feet.
- Tool-free assembly: The Showerbuddy SB1 can be assembled without the need for tools.
- Lockable caster wheels
