

SHOWERBUDDY SB6C ROLL-INBUDDY LITE SHOWER COMMODE

SKU: SB6c

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Showerbuddy SB6c Roll-InBuddy Lite is a versatile and easy-to-use bathing and toileting aid for people with mobility impairments. It is designed to fit over most standard toilets and roll-in showers, making it a convenient and practical solution for a variety of bathroom needs.

The Roll-InBuddy Lite features a lightweight, rust-resistant aluminium frame that is easy to move and manoeuvre. It also has a comfortable padded seat and backrest, as well as adjustable footrests and armrests for added support. The seat height is adjustable, so it can be customised to fit the individual user.

For safety, the Roll-InBuddy Lite comes with four locking caster wheels and two safety belts. The caster wheels can be locked in place to prevent the unit from moving during use. The safety belts can be worn around the user's waist and chest to provide additional support.

The Roll-InBuddy Lite is also equipped with a commode system that can be used for toileting. The commode system is easy to install and remove, and it includes a deflector splash guard to prevent spills.

The Showerbuddy SB6c Roll-InBuddy Lite is a valuable bathing and toileting aid for people with mobility impairments. It is easy to use, safe, and versatile, making it a convenient and practical solution for a variety of bathroom needs.

FEATURES

- **Weight capacity of 136kg:** The Roll-InBuddy Lite can support users up to 136kg, making it a

great option for people of all sizes.

- **Rolls over most standard toilets:** The Roll-InBuddy Lite has four locking caster wheels that make it easy to move around the bathroom. It can also roll over most standard toilets, so you can easily transfer from the toilet to the shower.
- **Lockable / flip-back arms:** The arms of the Roll-InBuddy Lite can be locked in place or flipped back, depending on your needs. This makes it a versatile option that can be used for both bathing and toileting.
- **Height adjustable:** The seat of the Roll-InBuddy Lite is adjustable, so you can find the perfect height for your comfort. This is especially important for people with limited mobility, as it allows them to get in and out of the shower or toilet more easily.
- **Removable and swing-away, height-adjustable footrests:** The footrests of the Roll-InBuddy Lite can be removed or swung away, depending on your needs. This makes it easy to get in and out of the shower or toilet, and it also provides additional space for you to move around.
- **No rust aluminium frame (Grade 6061 T6):** The frame of the Roll-InBuddy Lite is made from rust-resistant aluminium, making it a durable and long-lasting product.
- **Stainless steel parts and hardware (Grade 304):** The parts and hardware of the Roll-InBuddy Lite are made from stainless steel, which is rust-resistant and easy to clean.
- **Safety belts – lap or chest belts plus calf strap:** The Roll-InBuddy Lite comes with two safety belts: a lap belt and a chest belt. These belts can be worn to provide additional security while bathing or toileting.
- **Caster Wheels – 100mm all locking:** The four caster wheels of the Roll-InBuddy Lite are all locking, which provides added stability and safety.
- **Commode system with deflector splash guard:** The Roll-InBuddy Lite comes with a commode system that can be used for toileting. The commode system is easy to install and remove, and it includes a deflector splash guard to prevent spills.
- **Tool-free assembly:** The Roll-InBuddy Lite is easy to assemble, so you can get started using it right away.
