

SIMPLY BIG B1000 MOBILE PHONE

SKU: B1000

PRODUCT DESCRIPTION

Purpose & Benefits of Simply Big B1000 Mobile Phone

The Simply Big B1000 Mobile Phone is specifically designed to offer an accessible and user-friendly communication device for individuals who may have visual or hearing impairments, or who prefer a simpler interface. This mobile phone prioritises ease of use and clear communication, making it an ideal choice for seniors, individuals with disabilities, or anyone who values simplicity and reliability in a mobile device.

Features

- **Large Buttons:** Features oversized buttons with clear labels for easy dialling and navigation, reducing the risk of misdealing.
- **Big Display:** Equipped with a large, high-contrast display that provides clear visibility of text and icons, even for users with visual impairments.
- **Amplified Sound:** Offers amplified sound and adjustable volume settings to accommodate users with hearing impairments.
- **Emergency SOS Button:** Includes an emergency SOS button that allows users to quickly call for help or alert emergency contacts in case of an emergency.
- **Long Battery Life:** Provides a long battery life to ensure reliable communication throughout the day without frequent charging.
- **Simple Interface:** Features a straightforward and intuitive user interface, making it easy for users of all abilities to navigate and use the phone effectively.
- **Assistive Features:** Offers additional assistive features such as a built-in flashlight, FM radio, and camera to enhance functionality and convenience.

Specifications

- 10 days battery life
- Loud volume (115db)
- Unlocked for all Australian 4G networks
- Size: 12cm x 6cm, 114g

The Simply Big B1000 Mobile Phone offers a reliable and accessible communication solution for individuals who require a straightforward and user-friendly mobile device. With its large buttons, clear display, and essential features, it provides peace of mind and convenience for users seeking a simple yet effective mobile phone solution.
