PRODUCT DESCRIPTION

Purpose & Benefits of Simply Big XL Clock 10" Screen

The Simply Big XL Clock with a 10" screen is designed to provide clear and easy-to-read time display for individuals who may have visual impairments or those who prefer a larger clock display. This clock offers several features that promote convenience, accessibility, and functionality, making it an ideal choice for home or office use.

Features

- **Large Display:** The 10" screen offers a spacious and easily readable display of the time, ensuring visibility from a distance or for those with visual impairments.
- **High Contrast Display:** Utilises bold digits and high-contrast colours to enhance visibility and legibility, even in low-light conditions.
- **Adjustable Brightness:** Allows users to customise the brightness level to suit their preferences and environment, providing optimal visibility without causing discomfort.
- **Multiple Display Modes:** Offers various display modes, including time, date, and temperature, providing useful information at a glance.
- **Battery Backup:** Equipped with battery backup functionality to maintain timekeeping in the event of a power outage, ensuring continuous functionality.
- **Wall Mountable:** Designed to be easily mounted on a wall for convenient placement and visibility in any room.

Specifications

- **Screen Size:** Features a large 10" screen for easy viewing from a distance.
- **Display Options:** Provides options to display time, date, and temperature, depending on user

preferences.

- **Power Source:** Can be powered by AC adaptor or batteries, offering flexibility in placement and usage.
- **Design:** Sleek and modern design that blends well with various home or office decor styles.

The Simply Big XL Clock with a 10" screen offers a convenient and accessible way to keep track of time, date, and temperature, especially for individuals with visual impairments or those who prefer a larger display. Its user-friendly features and customisable settings make it a practical addition to any living space or workspace.
