**SKU:** SBL-H

## PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

The Brolly Sheets Sleeping Bag Liners are a practical and comfortable solution for travellers, campers, and outdoor enthusiasts. Designed to extend the life of your sleeping bag while enhancing comfort, these liners are an essential item for any adventure.

### FEATURES

- **Soft and Comfortable Material:** Made from high-quality, soft fabric that feels gentle against the skin, ensuring a comfortable night's sleep.
- **Easy to Use:** These liners easily slip inside a sleeping bag, providing an additional layer of warmth and comfort.
- **Hygienic and Easy to Clean:** The liners help maintain the cleanliness of your sleeping bag by absorbing body oils and sweat. They are machine washable for easy care.
- **Lightweight and Compact:** Designed to be lightweight and compact, they add minimal bulk and weight to your backpack, making them ideal for backpacking and hiking.
- **Versatile Use:** Suitable for use in hostels or budget accommodations as a clean and personal bedding option.
- **Quick Drying:** The fabric used is quick-drying, reducing waiting time after washing, which is especially useful when on the move.

Brolly Sheets Sleeping Bag Liners are a versatile and essential addition for any traveller or outdoor enthusiast. They not only provide an extra layer of warmth and comfort but also help in maintaining hygiene during various adventures, ensuring a more pleasant and restful sleep experience.

## **SPECIFICATIONS**

- Fits inside most Child sized sleeping bags
- The waterproof layer will also stop ground moisture from reaching the sleeper
