

SOVEREIGN S4 PRESSURE CARE MATTRESS

\$1,452.00 - \$1,647.00

SKU: S4KS1000-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Sovereign S4 Pressure Care Mattress

The Sovereign S4 Pressure Care Mattress is a high-performance solution for individuals at high risk of pressure injuries, delivering exceptional support, comfort, and durability. Featuring advanced triple-layer construction with visco-elastic memory foam, the mattress provides superior pressure redistribution, postural support, and temperature regulation. Perfect for clinical, aged care, and homecare environments, the Sovereign S4 is built to enhance user comfort and safety while supporting long-term care needs.

Features

- **Triple-Layer Foam Design:** Combines high-density base foam, supportive mid-layer, and a visco-elastic memory foam top layer to ensure optimal pressure relief and stability.
- **Visco-Elastic Memory Foam:** The top layer conforms to the body's contours, reducing pressure points and enhancing comfort for high-risk users.
- **Enhanced Edge Support:** Reinforced side walls improve stability during transfers and maintain mattress shape over time, reducing the risk of roll-out.
- **Temperature Regulation:** Breathable, open-cell memory foam allows airflow to regulate temperature and prevent heat build-up, ensuring a comfortable sleep surface.
- **Waterproof and Vapour-Permeable Cover:** The multi-stretch cover is waterproof, breathable, and easy to clean, promoting infection control and long-term hygiene.
- **High Weight Capacity:** Designed to accommodate users up to 250 kg while maintaining structural integrity and performance.

Specifications

- **Weight Capacity:** 250 kg
- **Mattress Dimensions:** Available in Single, King Single, and Long King Single
- **Foam Layers:** Triple-layer construction with memory foam
- **Risk Level:** Suitable for users at high risk of pressure injuries
- **Cover Material:** Waterproof, vapour-permeable, multi-stretch fabric
- **Cleaning:** Wipe clean with a damp cloth or disinfectant
- **Usage:** Ideal for homecare, aged care, and clinical environments

The Sovereign S4 Pressure Care Mattress combines advanced memory foam technology with thoughtful design to deliver exceptional comfort, pressure relief, and durability for individuals requiring specialised care.
