

SYNXGELI GEL BUNION SLEEVES - 2 PACK

SKU: SG-BU-SL

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Synxgeli Gel Bunion Sleeves cushion, protect and relieve soft tissue and the big toe joint from unwanted stress, providing optimal comfort and pain relief.

FEATURES

- Cushion, protect and relieve soft tissue and the big toe joint from unwanted stress
- Treats bunions or bony prominences
- Provide optimal comfort and pain relief
- Made from protective gel encased in a soft, stretchy covering

A bunion sleeve addresses the traits of bunions. They do not address the causes.

Major foot pain from being on my feet for 12 hour shifts. Tried everything else.

Instantaneous, complete relief with this product. Believe now I have overlapping toes, on one foot based on how effective this is. To have this level of constant pain solved so completely is , well , miraculous. Thank you to whoever figured this out.

Bunion correctors make it look like you're correcting your bunion because you're forcing the big toe back to where it should be natural, but this won't affect the reason your bunion has formed.
