

### TACTEE PADS

**\$23.00**

**SKU:** TAC-AT-TT07

## PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

The Tactee Pads are a pair of dorsal pads that can be applied on the [Tactee Grasping Element](#) for users that are pressure sensitive. The pads can be easily detached and changed in an uncomplicated manner.

Accessories are sold separately or can be bought together in a [Tactee Kit](#) with a Grasping Element size of choice.
