

TACTEE PADS

\$23.00

SKU: TAC-AT-TT07

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Tactee Pads are a pair of dorsal pads that can be applied on the <u>Tactee Grasping Element</u> for users that are pressure sensitive. The pads can be easily detached and changed in an uncomplicated manner.

Accessories are sold separately or can be bought together in a <u>Tactee Kit</u> with a Grasping Element size of choice.
