PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The General Purpose (G.P) sling is a general lifting sling suitable for a wide variety of users and lifting operations. The sling supports the entire body excluding the head. The sling is ideal for lifting, moving and positioning users who can control their head but have reduced control in their upper or lower body. The G.P sling is designed to be a general lifting sling to achieve most lifting situations. S.W.L 240KG.
