

TECH-ASSIST SLIDE EASY TRANSFER MAT

\$204.00

SKU: 51511

PRODUCT DESCRIPTION

The Slide Easy Transfer Mat is a heavy duty slide sheet material of 2m x 700mm with multiple handle attachments, designed to be used in difficult transfer positions, where the client can be slid from one area to another and then transferred to wheelchair, barouche or other. The Slide Easy Transfer Mat is easily folded to a small size for ease of transportation.
