PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **Therapeutic Pillow Leg Relaxer Cotton Slip** provides a soft, breathable layer of protection for your TheraMed Leg Relaxer cushion. Made in Australia from high-quality cotton, it enhances comfort, prolongs cushion life, and maintains hygiene during recovery. Designed for a perfect fit, this cotton slip prevents wear and tear while ensuring a smooth, wrinkle-free surface.

FEATURES

- Custom-fitted cotton slip designed specifically for the TheraMed Leg Relaxer cushion
- Breathable cotton fabric enhances comfort and airflow
- Protects the cushion from dirt, sweat, and everyday wear
- Envelope-style closure ensures a snug and secure fit
- Easy to remove and machine wash for ongoing freshness
- Ideal for maintaining hygiene in clinical or home care settings
- Made in Australia to premium quality standards
- Please note: **pillow not included** with cotton slip
