PURPOSE & BENEFITS

Dive into the future of typing with the revolutionary TiPY keyboard. Gone are the days when two hands were essential for typing. Introducing a new age of efficiency and convenience, the TiPY One Hand Keyboard brings a whole new dimension to the world of technology.

FEATURES

- **Evolutionary Design:** A unique one-handed keyboard layout integrated with mouse functions. Whether you're working on spreadsheets, typing up documents, or browsing online, TiPY offers a seamless navigation and typing experience.
- **Two-in-One Device:** Why carry two devices when you can have them in one? With TiPY, you get dual keyboard functionalities in a single device, complete with a versatile hand pad that can be swapped and rotated based on your needs.
- **Ambidextrous Use:** Whether you're a lefty or a righty, TiPY caters to both. Each keyboard is designed to be used comfortably with either hand.
- **Speak Your Language:** With direct key inputs for 12 languages including Danish, German, English, Finnish, French, Icelandic, Italian, Dutch, Norwegian, Portuguese, Swedish, and Spanish, TiPY is truly global.
- **Wireless Convenience:** Free yourself from cables with TiPY's wireless Bluetooth connectivity. For those moments when you're running low on battery, a USB-C port and an included 1-meter USB cable ensure you stay connected and charged.
- **Compact & Portable:** Measuring just 170mm x 270mm x 21mm, TiPY is smaller than an A4 page. Its lightweight design means you can carry your keyboard wherever you go.
- **Enhanced Usability:**

- **Optical Trackpoint:** Navigate with ease using the built-in optical trackpoint accompanied by two mouse buttons.
- **Tactile Keys:** Each key offers a reliable and precise tactile sensation, ensuring every keystroke counts.
- **Plug & Play:** With standard operating system drivers, TiPY is ready for action right out of the box.

Step into the next generation of computer interaction with the TiPY One Hand Keyboard. Experience efficiency, convenience, and innovation like never before.
