\$101.00 - \$144.00

SKU: TST-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

These mats have been specifically designed with the health care market in mind. They are machine washable for easy cleaning, low profile to reduce trip hazards and come with a nitrile rubber backing to reduce slipping.

FEATURES

- 100% Solution dyed polyester fibre for consistent colour, maximum colour fastness and high UV resistance.
- Higher heat resistance superior to polypropylene.
- High resistance to chemicals such as hydrocarbons, salt, acid and alkalis.
- Resists mould, mildew, bacteria, staining & soiling.
- 100% Nitrile rubber backing.
- Lightweight and pliable yet durable enough to stand up to the heavy demands.
- Hand or machine wash separately in warm water using mild detergent & line dry

SPECIFICATIONS
