**\$90.00**

**SKU:** UGM-BB

## PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

The Uccello Grip Mat offers a durable and premium non-slip solution, specially crafted to aid individuals with limited strength, mobility, or dexterity in tasks like opening jar lids and preventing items from shifting.

Its secure grip works effectively on both dry and wet surfaces, providing enhanced safety in the kitchen.

Additionally, it serves as a convenient position locator for pouring from your [Uccello Kettle](#). By placing the Uccello Grip Mat in front of the Uccello Kettle and positioning your cup at the centre of the mat, you can achieve a consistent and trouble-free pouring experience every time, ensuring both safety and ease of use.

### FEATURES

- Ideal for those with reduced strength, mobility, or dexterity
- Provides a secure surface that anchors items such as cups and plates from slipping on countertops or trays.
- Perfect to help with twisting open jar lids.
- Cup Guide for the [Uccello Kettle](#): Can be used as a position locator for your cup when pouring from your Uccello Kettle
