

URIBAG DISCREET PORTABLE URINAL FEMALE

SKU: SYMURIBAG-F

PRODUCT DESCRIPTION

Purpose & Benefits

The **Uribag Discreet Portable Female Urinal** is a compact, reusable portable toileting aid designed for women who may need to urinate when a restroom isn't easily accessible. Its discreet design makes it perfect for use while travelling, camping, or when access to facilities is limited. The anatomical shape ensures leakage protection, while its leak-proof snap-lock cap and compact storage tube offer hygienic use and easy discretion. Lightweight and convenient, it can be used while standing, sitting, or lying down—empowering users with freedom and dignity in any setting.

Features

- Compact storage tube that fits discreetly into a handbag or pocket
- Anatomically shaped for women to reduce leaks and provide a secure fit
- Snap-lock cap creates a leak-proof seal once closed
- Lightweight and durable latex construction, allowing use in multiple positions (sit, stand, lie down)
- Easy to clean with warm, soapy water and reusable for continued use

Specifications

- **Brand:** Uribag
- **Material:** Latex bag with rigid storage tube
- **Capacity:** Approximately 1000ml
- **Care:** Wash with warm soapy water after use, dry thoroughly before storing
- **Hygiene Note:** Designed for personal use; latex may cause sensitivity in some users
