PRODUCT DESCRIPTION

PURPOSE AND BENEFITS OF THE VARILITE EVOLUTION WHEELCHAIR CUSHION

The Varilite Evolution Wheelchair Cushion is designed to provide unmatched comfort and pressure management for wheelchair users. This state-of-the-art cushion combines air-foam floatation technology with adjustable features to cater to individual needs, enhancing overall seating posture and reducing the risk of pressure sores. Ideal for both active and sedentary users, the Varilite Evolution Wheelchair Cushion promotes stability, supports pelvic positioning, and improves user comfort during long periods of sitting. It's a perfect solution for those seeking to enhance their wheelchair's comfort without compromising on mobility or independence.

FEATURES

- **Air-Foam Floatation Technology:** Utilises a unique combination of air and foam to distribute weight evenly, minimizing pressure points and enhancing comfort for extended periods.
- **Adjustable Support:** Features an easily adjustable valve system that allows users to customize the cushion's firmness according to their comfort and support needs.
- **Moisture-Resistant Cover:** Comes with a breathable, moisture-resistant cover that promotes air circulation, keeping the user cool and dry throughout the day.
- **Lightweight Design:** The cushion's lightweight construction ensures it does not add unnecessary weight to the wheelchair, making it easier to maneuver and transport.
- **Durable Construction:** Built to withstand daily use, the cushion's materials are chosen for their durability and longevity, ensuring it maintains its shape and support over time.
- **Easy to Clean:** The cushion and its cover are designed for easy cleaning, a crucial feature for maintaining hygiene and comfort.

SPECIFICATIONS

- **Cover Material:** Available in Incontinence or Mesh
