

## VICAIR ACTIVE O2 WHEELCHAIR CUSHION

\$1,001.40 - \$1,013.50

SKU: OCT

### PRODUCT DESCRIPTION

### PURPOSE & BENEFITS

The Vicair Active O2 is designed for the active wheelchair user. It offers a unique combination of ergonomically shaped foam and Vicair SmartCells. The four rear SmartCell compartments provide a high level of comfort and skin protection and offload the sitting bones and tailbone area. The foam front makes transfers easy and feels steady and improves wheelchair handling. An easy-to-clean fluid-resistant liner protects the foam inlay. The rest of the cushion is 100% machine washable and breathable for optimal hygiene, temperature, and moisture regulation. The Vicair Active O2 has an easily accessible storage pouch for precious belongings (keys, phone, wallet). In short: everything you need to maintain your active lifestyle!

The wheelchair cushion Vicair Active O2 helps prevent pressure ulcers. It is also a high-quality addition to a pressure ulcer treatment plan (stage I-IV).
