PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Vicair Vector O2 cushion offers enhanced stability to the wheelchair user. This results in improved functionality of the upper body and expands the reach of the user's arms. The cushion's unique compartment layout reduces pressure in the vulnerable area around the sitting bones and tailbone. The Vector O2 provides excellent leg guidance, optimal skin protection and extra pelvic stability.

The cushion is 100% machine washable and breathable, for optimal hygiene, perfect temperature, and moisture regulation.

FEATURES

- Optimal temperature and moisture regulation
- Fully machine washable
- Expanding the user's reach
- Nine adjustable compartments for maximum stability
- Extra positioning of the thighs
