

POKO WALL/GLASS HOOKS

\$8.95

SKU: POKOHK

PRODUCT DESCRIPTION

Purpose and Benefits

The Poko Wall/Glass Hooks are designed for strong, long-term adhesion to smooth surfaces such as glass, tile, and mirrors. Featuring a non-transferable adhesive backing, these hooks are intended to be installed once and left in place, providing a reliable hold for hanging items like the Poko drying system.

If repositioning is required, simply apply a 3M adhesive pad over the base to allow for flexible movement. Sold as a pair, these hooks are a sleek and practical solution for enhancing storage and organisation in your home or workspace.

Features

- Non-transferable adhesive backing for permanent placement
- Compatible with 3M pads for repositionable use
- Clean, minimalist design suitable for modern interiors
- Strong hold on smooth, flat surfaces like glass, tile, and mirrors
- Lightweight and easy to install

- Pairs perfectly with Poko's drying systems and other light hanging items
