

WEIGHTED STUFFED BEAR

SKU: WA BEARBR2.5-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Weighted Stuffed Bear

The Weighted Stuffed Bear is a comforting and therapeutic tool designed to provide sensory input and a calming effect for individuals of all ages. This cuddly bear is ideal for use in various settings, including homes, schools, and therapy environments, offering a sense of security and relaxation through gentle, evenly distributed weight.

Key Features

- **Soothing Sensory Input:** The bear's weighted design helps to provide deep pressure stimulation, which can help reduce anxiety, improve focus, and promote a sense of calm.
- **Soft and Cuddly:** Made from high-quality, plush materials, this bear is soft to the touch, making it perfect for snuggling, providing both comfort and sensory satisfaction.
- **Durable Construction:** The Weighted Stuffed Bear is built to withstand frequent use, with reinforced stitching and high-quality filling to ensure long-lasting durability.
- **Portable and Versatile:** Lightweight and easy to carry, the bear can be used at home, school, or on the go, making it a versatile companion for children and adults alike.

Specifications

- **Weight:** The bear is available in multiple weight options
 - 1.5 kg; 2 kg; 2.5 kg;

- **Colour:** Brown; Rainbow;
- **Material:** Constructed with soft, hypoallergenic fabric and filled with non-toxic, evenly distributed weighted beads, ensuring safety and comfort.
- **Safety:** The bear is designed to meet safety standards for children, making it suitable for a wide range of users.

The Weighted Stuffed Bear is an excellent choice for individuals seeking a comforting, sensory-friendly companion. Its calming effects make it ideal for managing stress, improving focus, and providing a sense of security in various environments.
