

WEIGHTED STUFFED ELEPHANT

SKU: WA ELEPHANT1.5-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Weighted Stuffed Elephant

The Weighted Stuffed Elephant is a soothing and therapeutic plush toy designed to provide comfort and sensory input for children and adults alike. Perfect for home, school, or therapy settings, this gentle giant offers a sense of security and relaxation through its evenly distributed weight, helping to alleviate stress and anxiety.

Key Features

- **Calming Sensory Support:** The elephant's weighted design delivers deep pressure stimulation, which can be beneficial for reducing anxiety, improving concentration, and promoting a peaceful state of mind.
- **Soft and Plush:** Crafted from high-quality, plush fabric, the elephant is irresistibly soft, making it ideal for cuddling and providing tactile comfort along with its sensory benefits.
- **Sturdy and Reliable:** Built to last, the Weighted Stuffed Elephant features reinforced seams and durable materials, ensuring it remains a beloved companion for years to come.
- **Portable Comfort:** Lightweight enough to be taken anywhere, this elephant is versatile and can be used for comfort at home, in the classroom, or on the move.

Specifications

- **Weight:** 1.5 kg; 2.0 kg; 2.5 kg;
- **Material:** Made with soft, hypoallergenic fabric and filled with non-toxic, evenly distributed

weighted beads, offering both safety and comfort.

- **Safety:** Meets all safety standards for children's toys, ensuring it is safe for use by individuals of all ages.

The Weighted Stuffed Elephant is an excellent choice for those seeking a comforting, sensory-friendly companion. Its calming influence makes it perfect for managing stress, improving focus, and providing a sense of security in various environments.
