PRODUCT DESCRIPTION

Purpose & Benefits of the Weighted Stuffed Joanna the Goanna

Joanna the Goanna is a uniquely designed weighted stuffed animal that provides both comfort and sensory support. This charming goanna is perfect for children and adults who benefit from deep pressure stimulation, making it an ideal companion in homes, schools, or therapy settings. Joanna offers a calming presence, helping to reduce anxiety and improve focus through her evenly distributed weight.

Key Features

- **Deep Pressure Therapy:** Joanna's weighted design delivers soothing deep pressure input, which can help to alleviate stress, enhance concentration, and promote relaxation.
- **Unique and Soft Design:** Crafted from soft, high-quality fabric, Joanna the Goanna is as comforting to touch as she is to hold, providing both tactile and sensory benefits.
- **Durability and Quality:** Joanna is made with reinforced stitching and durable materials, ensuring she can withstand regular use and remain a trusted companion for years.
- **Portability:** Despite her size, Joanna is lightweight enough to be easily transported, making her a versatile companion for comfort at home, in the classroom, or on the go.

Specifications

- **Weight:** 2.0kg
- **Material:** Made from soft, hypoallergenic fabric and filled with non-toxic, evenly distributed weighted beads, ensuring safety and comfort for all users.
- **Safety:** Joanna meets all safety standards for children's toys, making her suitable for individuals of all ages.

Joanna the Goanna is more than just a plush toy; she's a therapeutic tool designed to bring comfort and calm to those who need it most. Her unique design and calming weight make her an excellent

choice for anyone looking for a sensory-friendly companion.
