PRODUCT DESCRIPTION

Purpose & Benefits of the Weighted Stuffed Koala

The Weighted Stuffed Koala is a delightful and therapeutic plush toy designed to provide comfort and sensory support for people of all ages. This adorable koala is perfect for those who benefit from deep pressure stimulation, making it an ideal companion in homes, schools, or therapy environments. The koala's gentle weight offers a calming influence, helping to reduce anxiety and improve focus.

Key Features

- **Deep Pressure Comfort:** The koala's weighted design provides soothing deep pressure input, which can help alleviate stress, enhance focus, and promote a sense of calm.
- **Soft and Cuddly:** Made from premium-quality, plush fabric, this koala is irresistibly soft, making it perfect for snuggling while delivering tactile and sensory benefits.
- **Durable Construction:** The Weighted Stuffed Koala is built to last with reinforced stitching and high-quality materials, ensuring it remains a beloved companion for years to come.
- **Portable and Versatile:** Despite its comforting weight, the koala is lightweight enough to be carried anywhere, providing consistent comfort whether at home, school, or on the go.

Specifications

- **Weight:** 2.0 kg; 2.5 kg;
- **Material:** Constructed from soft, hypoallergenic fabric and filled with non-toxic, evenly distributed weighted beads, ensuring safety and comfort.
- **Safety:** The koala meets all safety standards for children's toys, making it suitable for a wide range of users.

The Weighted Stuffed Koala is an excellent choice for those seeking a comforting and sensory-friendly companion. Its calming effects make it perfect for managing stress, improving focus, and providing a sense of security in various settings.
