

## WEIGHTED STUFFED PENGUIN

**SKU:** WA PENGUIN1.5-H

## PRODUCT DESCRIPTION

### Purpose & Benefits of the Weighted Stuffed Penguin

The Weighted Stuffed Penguin is an adorable and therapeutic plush toy designed to provide comfort and sensory support. This lovable penguin is perfect for children and adults who benefit from deep pressure stimulation, making it an ideal companion for use at home, in schools, or in therapeutic environments. Its gentle weight offers a calming presence, helping to reduce anxiety and enhance focus.

### Key Features

- **Deep Pressure Stimulation:** The penguin's weighted design offers soothing deep pressure input, which can help alleviate stress, improve concentration, and promote relaxation.
- **Soft and Huggable:** Made from high-quality, plush fabric, the penguin is incredibly soft to the touch, providing both comfort and sensory satisfaction for users of all ages.
- **Durable and Long-Lasting:** Constructed with reinforced stitching and durable materials, the Weighted Stuffed Penguin is designed to withstand frequent use, ensuring it remains a cherished companion.
- **Portable Comfort:** Despite its weight, the penguin is easy to carry, making it a versatile companion that can provide comfort wherever it's needed—at home, in the classroom, or on the go.

### Specifications

- **Weight:** 1.5 kg; 2.0 kg; 2.5 kg;
- **Material:** Made from soft, hypoallergenic fabric and filled with non-toxic, evenly distributed weighted beads, ensuring safety and comfort for all users.

- **Safety:** The penguin meets all safety standards for children's toys, making it suitable for a wide range of users, from children to adults.

The Weighted Stuffed Penguin is an excellent choice for anyone seeking a comforting, sensory-friendly companion. Its calming weight and soft texture make it perfect for managing stress, improving focus, and providing a sense of security in various environments.
