

WEIGHTED STUFFED RHINO

SKU: WA RHINO2.5

PRODUCT DESCRIPTION

Purpose & Benefits of the Weighted Stuffed Rhino

The Weighted Stuffed Rhino is a unique and therapeutic plush toy designed to provide comfort and sensory support. This charming rhino is perfect for individuals who benefit from deep pressure stimulation, making it an ideal companion in homes, schools, or therapy environments. Its gentle, evenly distributed weight offers a calming influence, helping to reduce anxiety and enhance focus.

Key Features

- **Deep Pressure Comfort:** The rhino's weighted design delivers soothing deep pressure input, which can help alleviate stress, improve concentration, and promote a sense of calm.
- **Soft and Cuddly:** Made from premium-quality, plush fabric, this rhino is soft to the touch, making it perfect for snuggling while providing both tactile and sensory benefits.
- **Durable Build:** The Weighted Stuffed Rhino is constructed with reinforced stitching and high-quality materials, ensuring it remains a durable and reliable companion over time.
- **Portable and Convenient:** Despite its comforting weight, the rhino is designed to be portable, making it a versatile companion that can provide comfort wherever needed—at home, in school, or on the go.

Specifications

- **Weight:** 2.5 kg

- **Material:** Constructed from soft, hypoallergenic fabric and filled with non-toxic, evenly distributed weighted beads, ensuring safety and comfort.
- **Safety:** The rhino meets all safety standards for children's toys, making it suitable for users of all ages.

The Weighted Stuffed Rhino is an excellent choice for those seeking a comforting and sensory-friendly companion. Its calming effects make it perfect for managing stress, improving focus, and providing a sense of security in various environments.
